

Please fill out this application completely. Incomplete applications will not be processed.

Notes:

- Depending on type of work proposed, separate trade permits may be required for building, mechanical, electrical, plumbing, or fire.
- Only licensed electrical contractors may obtain an electrical permit, unless it is the homeowner who resides in the property and meets the requirements of General Statute 87-14 or license not required by North Carolina State Contractor's License Board.
- Electrical permits will not be issued unless proposed work complies with all requirements of North Carolina General Statutes, NC Administrative and Technical Codes, and City of Fayetteville Code of Ordinances. Failure to comply after issuance will result in permit being revoked.
